- Washing capacity: 8 kg

Wrinkles reduced, favourites refreshed

Quickly refresh garments and smooth out creases using the 35 minute Vapour Refresh cycle. Your clothes will emerge soft, smooth, and fresh-smelling, with up to 23% less wrinkles*

*22% less wrinkles with vapour compared to model without vapour.

Open door to smarter washing

The Add Clothes function gives you the flexibility to quickly add forgotten clothes up to 15 minutes after the start of a wash cycle. That way, you never have odds and ends left over after doing laundry.

Easy loading and unloading

With improved 3XL door, you have a door opening that is 12% bigger* making loading and unloading your laundry is now easier than ever.
*compare to machines with 2XL door

Wash wool the easy way

Safely wash your precious woollens on our Wool cycle that is Woolmark-approved. This dedicated cycle preserves your machine-washable woollens with minimum felting and optimum cleansing efficiency so they look and feel new for longer.

Product Specification
