

**Power Pro System™ to clean all floors with ease**

PowerForce™ comes with our Power Pro System™ for perfect cleaning results. Power Pro System™ combines an efficient motor and the DustPro™ nozzle, enabling you to clean perfectly anywhere you wish - be it on carpet or hard surfaces.

**Product Benefits & Features**

**360° Motion Technology™ to easily reach around corners**

All the small things we have in our homes give us a homey feel, but also make it hard to clean. That's why the the PowerForce™ is equipped with small rotating wheels that are ideal for vacuuming around objects and reaching otherwise hardly accessible areas with ease.

- Dustbag Full Indicator
- Integrated parking slots
- Power regulation
- Telescopic tube
- Soft bumpers
- Front handle

**180° Access™ Lid for full access and a fast dust bag exchange**

Make emptying your dustbag effortless, fast and clean. The 180° access lid gives you full access to the body of the vacuum, letting you replace your dust bag in a matter of seconds.
