

Created for the new mobile worker

Tecra A40-J-1AV

Life on the go is the new normal for many professionals. That's why we created the Tecra A40. Designed to tick every box for mobile workers and IT managers alike, this 14" notebook packs enterprise-ready security and management technology into an exceptionally portable, reliable and stylish chassis. It meets Microsoft's stringent Secured-core requirements, and features optional Intel® AMT for maximum manageability both in and out of the office. And with blazing-fast 11th Gen Intel® Core™ processors, and Iris® Xe graphics, and up to 32GB of DDR4 RAM in two fully configurable slots, you can be sure that wherever teams are working, they'll be doing so productively.
