

Product Benefits & Features

Ready in seconds due to innovative Thermoblock Technology!

Superquick heat-up - similar to a steam iron.

- Self clean
- Drip-stop system
- Long cord of 1,8m and 180° swivel
- Vertical steam
- Spray function
- Anti-calc system
- Variable temperature setting
- Built-in permanent anti-calc cartridge
- Pilot lamp
- 2300 Watt rated power

Safety indicator - protects from burning

The Thermosafe hot base indicator turns red when the soleplate is hot and turns black as soon as the temperature reaches below 40 degrees.

INOX stainless steel soleplate

INOX stainless steel soleplate ensures scratch-resistance for easy ironing.

Easy filling via detachable tank

900ml easy filling water tank.

Product Specification

Color	Watermelon Red
Voltage	220-240
Frequency	50
Power W	2300
Steam	Yes
Product Number Code	910 280 127
Dimensions HxWxD in mm	266x382x218
Net Weight	4
Bar Code	7332543370177
HS Code	85164000
